Any and all sponsors and contributors to Inaugural Golf Tournament are recognized in the tournament program and on our department website.

All of the money that is made at the golf tournament is used to purchase new (and much needed) fire and emergency medical services equipment and provides opportunities for the men and women of our department to attend various specialized training activities and seminars. All of our members are proud to serve our community and donate our time and energy to those who need our assistance!

We thank you for any past donations that you may have already made to our department and hope you will consider contributing to or becoming a sponsor of this year’s event.

If you and your business are interested, please fill out the enclosed Sponsor Form and return it to the address on the front of this letter. If you have any further questions, suggestions or comments, please contact me by way of the information listed below. Thank you again for your help and support!!
